

How to setup an email address on Android Phone

To set up an email account on your android phone, you will need to do this following:

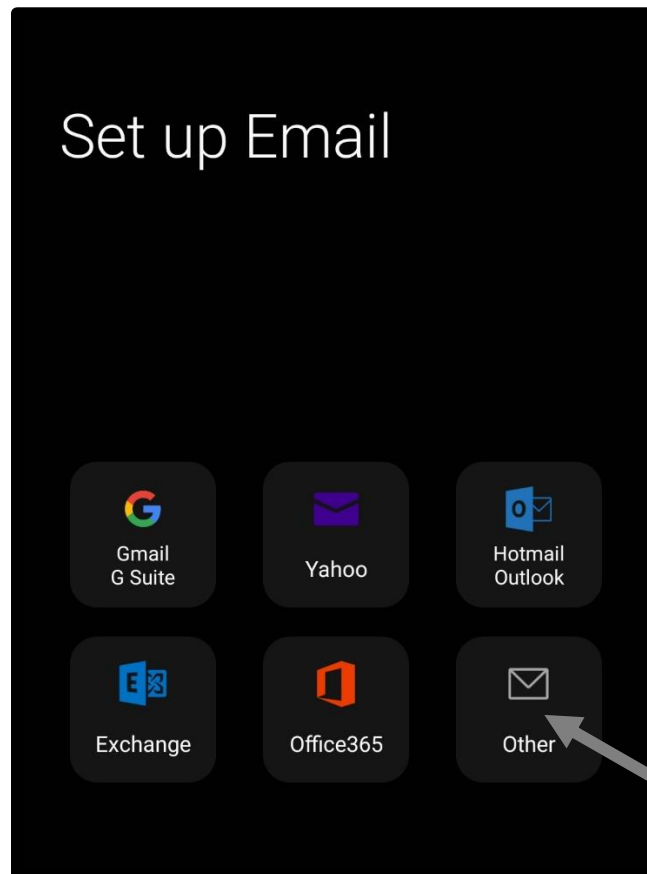

Open the email application on the mobile phone.

The screenshot above is the default android email application, however the icon on your device may look different.

InTouch Systems is a trading name for RedShelf Limited
36 Hurricane Way, Norwich, Norfolk, NR6 6HU, UK

Fax: +44 1603 486987
VAT Number: 878 6604 68

Select “POP3 or IMAP” depending on which you set-up.

We recommend “IMAP”, as this keeps a copy of the emails on both the server,
and local device.
